A BRIEF HISTORY OF

MILAGRES CENTRAL SCHOOL

Milagres School being established in the year 1848, was later converted into State English Medium Syllabus in the year 1965. Having known the need for central syllabus, now school functions as 'MILAGRES CENTRAL SCHOOL' since 2017.

It is the second oldest Institutions in the city and is bountifully blessed through the intercession of our Lady of Miracles in the holistic development of our children and the growth of the Institutions at different stages.

Down the years the School has committed itself to inculcate values and has motivated students to excel in life. The infrastructure, the dedicated faculty, encouragement in curricular, co-curricular and extra-curricular activities made the Institution familiar and prestigious and it stands out as a beacon of light.

Today Milagres Central School imparts Education from Pre KG to Grade 10, with good infrastructure and a soothing conducive environment for learning. The School is committed to continue the mission with the clear vision through the intercession of our 'Patroness' and through the efforts of those at service.
